

Member Referral Program

Our Member Referral Program is a great opportunity to not only encourage our members to help the Chamber grow, but also to help members to receive additional benefits for being a Chamber Champion!

Participation is easy! All you need to do is to refer a non-member to the Chamber for membership. What do you receive in return?

For every successful referral:

- You will receive 1 (one) free member feature in the Beacon and on social media to be redeemed at any time during the year the successful referral is made.
- After 3 (three) successful referrals, you will receive 1 (one) free e-blast to be redeemed at any time during the year the successful referral is made.
- After 5 (five) successful referrals, you will receive recognition as a Chamber Champion at the Annual Member Dinner.

A successful referral is a referred prospect who joins the Chamber of Commerce. Benefits will only be valid during the year the successful referral is made.
